IMPORTANT INFORMATION ABOUT THE NATIONAL FLOOD INSURANCE PROGRAM

Federal law requires insurance companies that participate in the National Flood Insurance Program to provide you with the enclosed Summary of Coverage. It's important to understand that the Summary of Coverage provides only a general overview of the coverage afforded under your policy. You will need to review your flood insurance policy, Declarations Page, and any applicable endorsements for a complete description of your coverage. The enclosed Declarations Page indicates the coverage you purchased, your policy limits, and the amount of your deductible.

You will soon receive additional information about the National Flood Insurance Program. This information will include a Claims Handbook, a history of flood losses that have occurred on your property, as contained in FEMA's database, and an acknowledgement letter.

If you have any questions about your flood insurance policy, please contact your agent (refer to your Declarations Page on the reverse side).
